WELCOME LETTER

On behalf of Four Putt Productions, welcome to the 2026 Cubby Cup at Crystal Mountain.

For the first time in Cubby Cup history, two brothers will go head-to-head as captains, with Team Luke Swardenski taking on Team Sam Swardenski over three days of match play. Over the years, these two have dropped the gloves a few times, but now it is time to settle things once and for all on the golf course.

The competition begins Friday on the Mountain Course with 1 Best Ball of 2, moves Saturday to Betsie Valley for an 18-hole 2-Man Scramble, and concludes Sunday on the Mountain Course with Pinehurst—new for 2026—on the Front Nine and Singles on the Back Nine. The first team to 27.5 points wins the Cubby Cup.

We are also pleased to welcome our newest Cubbie, Matt Parks, a friend of Scott Morgan and Eric Blanding. We are glad to have him joining the group and look forward to his first Cubby Cup weekend.

A special thank-you also goes to Mr. Hiotas, Mayor of Crystal, for working with the onsite staff to help make this venue and weekend possible.

Please review your unit assignment, match time, format, and handicap reference before the weekend begins.

Good luck, play hard, and enjoy the weekend.
